

GUIDELINES ON REGISTER OF INTERESTS FOR GOVERNORS, HEADTEACHERS AND STAFF

The register should include business interests of Governors, the Headteacher, any Staff likely to make purchasing decisions, and their immediate families.

Its purpose is to help avoid any conflict between the business interests of Governors, Headteachers and Staff, and the interests of the school. By its very nature it is not possible to give a definitive list of the types of interest that should be included. If in any doubt, Governors and Headteachers would be advised to include an item on the register rather than to leave it out.

An interest might include a directorship, significant shareholding, or other appointment within a business that the school has dealings with or might have dealings with in the future or any other connection that might lead to a conflict of interest, such as a connection to a member of the school staff, or being a governor, trustee or staff member at another educational establishment or organisation.

The type of business might be any that the school would invite to tender or place an order with. Some examples include, but are not limited to:

- ◆ Building works
- ◆ IT and other equipment
- ◆ Office supplies
- ◆ Educational supplies
- ◆ Cleaning
- ◆ Catering
- ◆ Grounds maintenance
- ◆ Banking
- ◆ Other administrative support services

Inclusion of an interest on the register does not necessarily prevent the school from dealing with the business concerned. However, the Governor or Staff Member, concerned (including the Headteacher) should not be involved in the decision to do so.

It is essential that you complete this form annually and return it to your school. Not doing so could affect the outcome of your school's audit! The school needs to keep a file of these forms easily accessible, as the Auditors will expect to see a completed form from every governor and every staff member potentially responsible for procurement. Both the Academies Financial Handbook and Statutory (Constitution) Guidance now require a record of governors' interests to be published on the school's website.
