### **A National Teaching School**

N.O.R. 1508 (332 in Sixth Form)

Required for January 2018

### **Teacher of Film and Media: MPS with outer London allowance**

We are seeking to appoint a passionate and highly-qualified teacher to join a successful and exciting Film and Media Studies department. This post would be suitable for an NQT or experienced teacher. The successful candidate should be able to offer both Film and Media at KS4 and KS5. Both subjects have a very high take-up at AS and A2, with excellent results. Many students continue their studies to university.

The department benefits from two dedicated media suites with a green room and a suite of Apple computers.

The department was judged 'outstanding' in a recent external review led by a practising Ofsted inspector. We are an outward-facing department offering many enrichment opportunities, including cinema trips and industry visits. The school is very much committed to the Accelerated Reader Programme, with all students at KS3 and KS4 currently engaged in daily reading time. We are also heavily involved in Initial Teacher Education, supporting all routes including School Direct. This involvement is expected to increase.

Lampton School is a mixed, multi-ethnic 11-18 school that converted to Academy status in September 2010. We are a National Teaching School and have IIP Status. Lampton School was judged as "outstanding" in all categories by Ofsted in May 2008 and again in 2013. It was also featured in the Ofsted report 'Twelve outstanding secondary schools - Excelling against the odds'.

Lampton School actively encourages and supports the safeguarding and protection of all its pupils. This post is subject to an enhanced DBS disclosure.

You can access our school website for further information and an application form:
